

# Vote For Board of Education

## Make Your Voice Heard at SFUSD

You can vote in the February 15, 2022 San Francisco School Board recall election. By voting, you will be more involved in your child's education and show the School Board what's important to immigrant families like yours.

**Who Can Vote?** San Francisco parents can vote in School Board elections - no matter their immigration status.

**How To Register?** You can pick up a registration form at city hall or print one at home or your child's school at [bit.ly/SFimmigrantvote](https://bit.ly/SFimmigrantvote). Fill it out and send it to the department of elections. You will need to re-register before each School Board election.

**How To Vote?** Register before January 31, 2022 to receive a vote-by-mail ballot. You can also go to your assigned polling site in-person to cast a provisional ballot if you miss this deadline. Find your polling location at [sfelections.org/tools/portal/](https://sfelections.org/tools/portal/).
